Our popular Family Loan & Savings Plan

If you get Child Benefit, you could have it paid into the Credit Union.

You can then apply to borrow up to £500 and save up for Christmas and your child's future at the same time. It's a fantastic way to make the most of your money, and improve your credit score.

Your Child Benefit covers your loan repayments of £12 per week (or £50 every 4 weeks), lets you save into a CU Savings Account, and have a same day payment of the spare funds into your bank (or a CU Engage account).

All loans subject to approval.
