

**Have you
considered a
counselling and
life coaching
service for
your staff?**

ongo talk

We can support businesses to look after the mental health and wellbeing of their staff by offering our Ongo talk service. We will work with you to create a bespoke service that your employees can access for mental health support in the workplace.

We can also offer training courses through our partner agency, Ambassador Training in mental health awareness.

Get in touch with us today to find out more about how we can support your business.
