# Welcome from the group

Take a look at this welcome video from a member of our EDI steering group, explaining key updates and how you can get involved.

### What is the group?

We have an EDI group made up of colleagues and customers, who advocate improvements, help to put changes into practice and embed our values.

### Latest updates

The latest decisions, and what has been discussed at the EDI group and minutes from each meeting can be found here.

### What does FREDIE mean to us?

# **Equality, diversity and inclusion**

## **Statement from our Board**

We are fully committed to fairness, respect, equality, diversity, inclusion and engagement (FREDIE).

It is so important to us everyone has the right to fair and equal treatment, and we recognise people using our services and those working for us, come from diverse backgrounds.

The words we have used here are taken from our EDI policy - but we want to do much more than just have a set of words that you can read. We want to show you that we're truly committed to equality. After all, it's our actions that count and not our words.

Our Board has considered. debated and agreed a set of objectives and priorities that will help us to deliver our aims of equality and address inequalities.

So that we can make sure we're always improving, with FREDIE in the forefront of everything we do, we've put together a roadmap of where we are at the moment, and where we want to get to. Read our EDI roadmap

# **Our workforce**

### **Gender pay gap**

We publish our gender pay gap information every year. This is the average difference in pay received by the men and women employed by us.

This is different to equal pay, where men and women doing the same job are paid the same. Everyone doing the same job in Ongo receives the same pay and benefits.

Our mean gender pay gap is better than the national average of 15.4%.

### Mean

13.9%

Mean is the average hourly rate of pay.

### Median

6.6%

**Median** is the middle hourly rate of pay.

View our gender pay gap reports

### **Increasing diversity**

We have signed up to the Housing Diversity Network's (HDN) Board Diversity Programme, as part of our mission to increase diversity at Board

This programme supports aspiring Board members from underrepresented groups in achieving their aspirations by providing training and mentoring to develop their skills and knowledge to get there.

The programme also supports us in our search for diverse Board members and, once recruited. in the induction, ongoing mentoring and support to ensure they offer a good contribution and we are able to retain the standard.

**Campaigns and events** 

### Myos House opening

Last year we opened Myos House, our extra care scheme which is the first of its kind in the area. bringing much needed support for those living with a dementia diagnosis.

Located on Warwick Road, Scunthorpe, it is made up of 25 two-bedroom apartments and specially designed communal spaces for residents to socialise and relax.

The building complies with the 'Housing our Ageing Population Panel for Innovation' (HAPPI) principles and has been created to allow those living with dementia to stay with their families for as long as possible. This will avoid the unsettling move to residential care.

### LBGT+ month

As part of national LGBT+ history month, our colleagues and tenants led on a campaign throughout February.

The month was created to promote equality and diversity for the benefit of the public. It aims to increase the visibility of members of the LGBT+ community, make educational and other institutions safe spaces and ensure that we recognise and enable LGBT+ people to achieve their full potential.
