## Directors' Report for the year ended 31 March 2016

#### **Nature of Business**

The Ongo group went through a rebranding exercise in 2013 and Ongo Communities Limited, a company limited by guarantee was incorporated on 23 July 2013. The company received charitable status on 4 March 2014 and the assets, trade and cash of NL Communities were subsequently transferred to Ongo Communities following a decision made by the board of NL Communities on 27 March 2014.

The corporate structure of the Ongo Partnership group is clearly defined and the relationship between this Company, the parent and its other subsidiaries is set out in Intra-Group agreements which were considered and approved by each of their Boards.

The role of the Company, which is funded by Ongo Homes Limited (OH), is to deliver that company's wider social objectives by co-ordinating community development activity and developing social enterprises, which includes the 'Choose to Reuse' furniture cycling operation and 'Handyvan' service. On 1 April 2014 Ongo Communities acquired Crosby Employment Bureau Limited (CE), which operates as a subsidiary providing training and employment opportunities for local people within disadvantaged communities in order that they may develop their skills and re-engage with the labour market.

#### **Board and Executive Directors**

The Board Members and Executive Management Team serving during the period and up to the date of signing the Financial Statements are listed in page 3. None of the Board Members and Executive Management Team holds any interests in the capital of this company, or of Ongo Partnership Limited.

Members of the Executive Management Team act as executives within the authority delegated through the Intragroup Agreement between Ongo Partnership Limited, Ongo Commercial Limited and Ongo Homes Limited. The Company's insurance policies indemnify Board Members and officers against liability when acting on its behalf.

#### **Financial Statements**

The Directors present their report and audited Financial Statements of the Company for the year ended 31 March 2016.

#### Results

The Company made an operating profit of £74k for the year (£43k in 2014/15). The Directors consider this to be an acceptable standard of performance.

#### Reserves

The Revenue reserves at the year-end are £254k. The business plan dictates that this will be retained for investment in the future development of the company.

#### **Going Concern**

The Financial Statements are prepared on a going concern basis, as the Board is satisfied that the Company has sufficient resources to continue its activities for the foreseeable future. In making this assessment the Board has considered a wide range of information relating to present and future conditions, including future business plan projections allied to expected income and currently available banking facilities.

## Directors' Report for the year ended 31 March 2016 (continued)

#### Statement of the Directors' Responsibilities in Respect of the Accounts

The directors are responsible for preparing the strategic report, the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Financial statements are published on the company's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements, which may vary from legislation in other jurisdictions. The maintenance and integrity of the company's website is the responsibility of the directors. The directors' responsibility also extends to the ongoing integrity of the financial statements contained therein.

#### Assessment of the effectiveness of Ongo Communities' system of internal control

The Board is ultimately responsible for the Company's system of internal control and for reviewing its effectiveness.

The Board recognises that no system of internal control can provide absolute assurance or eliminate all risk. The system of internal control is designed to manage risk and provide reasonable assurance that key business objectives and expected outcomes will be achieved. It also exists to give reasonable assurance about the preparation and reliability of financial and operational information and the safeguarding of Company assets and interests.

The Board has adopted a risk-based approach to internal controls, which are embedded within the normal management and governance process. This approach includes the regular evaluation of the nature and extent of risks to which the Company is exposed and is consistent with good practice and regulatory requirements.

The main area in which this is evidenced is as follows:

#### Identification and evaluation of key risks

Management responsibility has been clearly defined for the identification, evaluation and control of significant risks. There is a formal and ongoing process of management review in each area of the Company's activities. Reports on significant risks facing the Company, and any changes to the Risk Map are reported to the Group Audit & Risk Committee which monitors the risk management arrangements. The Executive Team is responsible for regularly reviewing the risks of the Company and for monitoring mitigation plans against those risks.

A scoring system has been developed that attempts to quantify the original risk before any mitigation and then again after the identified mitigation plans have been completed. Completion of mitigation plans is routinely reviewed by the Group Audit & Risk Committee.

## Directors' Report for the year ended 31 March 2016 (continued)

#### Statement of the Directors' Responsibilities in Respect of the Accounts (continued)

#### Identification and evaluation of key risks (continued)

The Board reviews key strategic risks at least annually to ensure activity remains focussed on the correct areas and adequately take account of changes to the organisation's circumstances. The output from this work forms a part of the basis for focusing the internal audit programme.

Risk management is embedded into service areas through training and by inclusion in team and individual plans.

#### **Internal Audit**

Independent resources are used to undertake detailed audits on specific internal controls. An annual plan is agreed and each report is summarised for review by the Group Audit & Risk Committee. At each meeting of this group the outstanding audit issues are reviewed to ensure actions are progressing satisfactorily, particularly if higher priority risks are identified by the audits.

The Committee has included focus on fraud prevention, detection and deterrence to those internal audits where risk is perceived to be greatest.

A fraud register is maintained and reviewed at each Committee meeting.

The internal auditors have an opportunity at every Committee meeting to discuss matters without the presence of executives.

#### **External Audit**

In so far as the Board is aware, all of the current board members have taken all the steps that they ought to have taken to make them-selves aware of any information needed by the association's auditors for the purposes of their audit and to establish that the auditors are aware of that information. The directors are not aware of any relevant audit information of which the auditors are unaware.

The External Auditors have an annual meeting with the Committee without the presence of executives.

#### Fraud

An annual review of the policy is undertaken by the Group Audit & Risk Committee covering prevention, detection recovery and reporting.

The Fraud Register is updated as necessary for all actual and potential frauds committed or attempted to be committed against the Company and comes to every meeting of the Group Audit & Risk Committee.

#### Reporting, review and corrective action

A process of regular management reporting on control issues provides assurance to the Executive Management Team and to the Board. This includes a rigorous procedure for ensuring that corrective action is taken in relation to any significant control issues, particularly those that may have a material impact on the financial statements and the delivery and fulfilment of our services.

The Group Audit & Risk Committee conducts an annual review of the effectiveness of the system of internal control and has taken account of any changes needed to maintain the effectiveness of risk management and control process. This Committee makes an annual report on this matter to the Board. The Board has received this report and has included it within the Financial Statements.

The Board confirms that there is an ongoing process for identifying, and managing significant risks faced by the Company. This process has been in place throughout the year under review, up to and including the date of the annual report and accounts, and is regularly reviewed by the Board.
