## 1 Significant accounting policies

Ongo Developments Limited is a company limited by shares incorporated in England & Wales under the Companies Act 2006. The address of the registered office is given on the contents page and the nature of the company's operations and its principal activities are set out in the directors' report. The financial statements have been prepared under the historical cost convention and in accordance with FRS 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires company management to exercise judgement in applying the company's accounting policies. Management do not consider that there are any significant judgements or estimates associated with the preparation of the financial statements.

The presentation currency of the financial statements is the Pound Sterling (£), rounded to the nearest £1.

The following principal accounting policies have been applied:

### *Financial Reporting Standard 102 – reduced disclosure exemptions*

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the

- o the requirements of Section 7 Statement of Cash Flows;
- o the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);
- o the requirements of Section 11 Financial Instruments paragraphs 11.39 to 11.48A;
- o the requirements of Section 33 Related Party Disclosures paragraph 33.7.

This information is included in the consolidated financial statements of Ongo Homes Limited as at 31 March 2024 and these financial statements can be obtained from Ongo House, High Street, Scunthorpe, North Lincolnshire, DN15 6AT.

### *Going concern*

The company's financial plans have been reviewed and the Board are satisfied that these plans are affordable and that the financial statements should be prepared on a going concern basis.

The board have reviewed the company's financial forecasts for the two years ended 31 March 2026, to ensure they reflect the risks and financial impacts as relevant and proportionate to our business, including any potential impact that may arise as a result of the effects of inflationary pressures.

The company has effective controls and processes in place to manage and monitor cash flows. On this basis, the board consider it appropriate for the financial statements to be prepared on a going concern basis.

### *Turnover*

Revenue is recognised on construction contracts undertaken on the basis of the assessed completion of works at the accounting date. Revenue from the sale of properties is recognised on legal completion of the sales.

## *Stocks and work in progress*

Work in progress is valued at the cost of work performed plus attributable overheads less progress payments received.

Property for resale is valued on the basis of direct costs plus attributable overheads based on normal level of activity. Provision is made for any foreseeable losses where appropriate, based on anticipated selling price less costs to sell. No element of profit is included in the valuation of work in progress. Land is valued at the lower of cost and net realisable value, land purchased that is directly attributable to a development scheme is included within work in progress.

Determining whether property held for resale is stated at the lower of cost and net realisable value (including selling costs) involves judgement. Management make use of various sources of information in making this assessment including cost comparison to original development plan, internal development team cost expectations, post year-end sales activity, data from the internal sales team and market information from similar projects.

## *Current and deferred taxation*

The tax expense for the period comprises current and deferred tax.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date.

Deferred balances are not recognised in respect of any timing differences that have originated but not reversed by the balance sheet

## *Debtors*

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

## *Financial instruments*

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

## *Cash at bank and in hand*

Cash at bank and in hand includes deposits which can be withdrawn within 24 hours without penalty and short term deposits which have a maturity period of 3 months or less and are not subject to significant risk of changes in value.

## *Liabilities*

Liabilities are recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

## **2 Employees**

No employees are paid directly by the company, although the company is recharged by other group entities for employment costs incurred on its behalf.
