

Equality, Diversity and Inclusion

Statement from our Board

Here at Ongo we are fully committed to fairness, respect, equality, diversity, inclusion and engagement (FREDIE).

It is so important to us that everyone has the right to fair and equal treatment, and that we recognise that people using our services and those working for us, come from diverse backgrounds.

The words we have used here are taken from our EDI Policy - but we want to do much more than just have a set of words that you can read. We want to show you that we're truly committed to equality. After all, it's our actions that count and not our words.

As an organisation, our Board has considered, debated and agreed a set of objectives and priorities that will help us to deliver our aims of equality and address inequalities.

So that we can make sure we're always improving, with FREDIE in the forefront of everything we do, we've put together a roadmap of where we are at the moment, and where we want to get to
